

ETS ANNOUNCES QUICKER SCORE REPORTING!

ETS Announces Quicker Reporting of GRE & TOEFL® Scores (effective from September 2009 onwards)

The time taken to report GRE & TOEFL scores on the Web has been reduced from **three weeks to two weeks**, and printed score reports will also arrive faster. The improved turnaround time is part of ETS's ongoing efforts to improve the experience of test takers and score recipients. Additional improvements in score reporting time are planned.

Scores get to universities sooner and test takers learn of admission decisions much quicker. It's easier and faster for everyone.”
