

**Project – II**  
B.E. Sem. VIII [INFT]

---

---

**EVALUATION SYSTEM**

	Time	Marks
<b>Theory Exam</b>	–	–
<b>Practical Exam</b>	–	–
<b>Oral Exam</b>	–	50
<b>Term Work</b>	–	50

**SYLLABUS**

- **Objective:** The primary objective is to meet the milestones formed in the overall project plan decided in Project - I. The idea presented in Project – I should be implemented in Project – B with results, conclusion and future work. The project work shall also result in the documentation of the work done to carryout the project

**Guidelines:**

- 1. Project Report Format:** At the end of semester a student need to prepare a project report which preferably contain following details:-  
Abstract, Project overview, Introduction and Motivation, Problem Statement, Requirement Analysis, Project design, Implementation Details, Technologies used Test cases, Project time line, Task Distribution, conclusion & future work, references, and Appendix consisting of user Manuals. Every student must prepare project report on a CD containing: project documentation, Implementation code, required utilities, Software's and user Manuals need to be attached. For certification purpose few pages shall be bound together embodying the title of project, table of contents and certification pages
- 2. Term Work:** Student has to submit weekly progress report to the internal guide and where as internal guide has to keep track on the progress of the project and also has to maintain attendance report. This progress report and final documentation of the project can be used for awarding term work marks.
