

Sr. No.	Items	Contents
1.	Module 1	Electrical Machine
2.	Module 2	Electrical and Electronic Measurements
3.	Module 3	Power Systems
4.	Module 4	Power Electronics
5.	Module 5	Signals and Systems
6.	Module 6	Control Systems
7.	Module 7	Electric Circuits and Electromagnetic Fields
8.	Module 8	Analog and Digital Electronics
9.	Maths Module 1	Linear Algebra, Calculus and Probability and Statistics
10.	Maths Module 2	Differential Equations, Complex Variables, Numerical Methods and Vector Calculus
11.	Maths Module 3	Laplace Transforms
12.	Topic-wise Examination Questions	
	Solutions to Topic-wise Examination Questions	
13.	Electrical Engineering – Compendium	
14.	General Aptitude Verbal Ability	
15.	General Aptitude Quantitative Ability	
16.	General Aptitude – Graded Questions	
17.	General Aptitude – Compendium
