

Sr. No.	Items	Contents
1.	Module 1	Electrical Circuits
2.	Module 2	Measurements
3.	Module 3	Digital Circuits
4.	Module 4	Analog Integrated Circuits
5.	Module 5	Signals & Systems
6.	Module 6	Control Systems
7.	Module 7	Sensors and Industrial Instrumentation
8.	Module 8	Communication and Optical Instrumentation
9.	Maths Module 1	Linear Algebra, Calculus, Probability and Statistics
10.	Maths Module 2	Differential Equations, Complex Variables, Numerical Methods and Vector Calculus
11.	Topic-wise Examination Questions	
	Solutions on Topic-wise Examination Questions	
12.	Instrumentation Engineering – GQ	
13.	Home Assignment	
14.	Instrumentation Engineering – Compendium	
15.	General Aptitude – GQ	
16.	General Aptitude – Compendium	
17.	General Aptitude – Verbal Ability	
18.	General Aptitude – Quantitative Ability
